THE ALL INCLUSIVE MALDIVES EXPERIENCE

At Atmosphere Kanifushi you can bask in the beauty of the Maldives knowing that everything is taken care of under one price plan

Located on the south-western tip of the sparsely populated Lhaviyani Atoll is Atmosphere Kanifushi: a luxury resort where pristine white sandy beaches and swaying palm trees are the gateway to opulent villas, stylish restaurants and a superb range of facilities.

Nestled on the shores of a turquoise lagoon, Atmosphere Kanifushi is accessible via a scenic 30-minute seaplane transfer from Malé International Airport. Kanifushi's 132 detached villas and suites come in four different types. Starting with the Sunset Beach Villas, which are some of the largest entry-level beach villas in the Maldives. These villas are characterised by spacious interiors, open-air bathrooms, luxurious amenities and in-villa services. At the far end of the island, adjacent to their own sandbank, are the exclusive Sunset Pool Villas – each with its own private 30 sqm pool

facing the lagoon and a range of inclusive services.

Since its launch in 2013, the popularity of Atmosphere Kanifushi has grown each year thanks to Atmosphere Hotels & Resorts' core belief of "The Joy of Giving." The resort's team take great pride in providing its guests with a lavish and indulgent 5-star holiday in the Maldives without the worry of extra costs. This is because the premium all-inclusive plan, Platinum Plus, includes unlimited food and beverages from a variety of outlets, including over 80 selected wines, signature cocktails, spirits and delicious food inspired by the flavours of the Indian Ocean region.

This all-encompassing holiday plan also includes an array of activities, both on land and in the water, as well as spa treatments and excursions. It's everything you could ever want from a beach holiday in the Maldives.

Many Atmosphere Kanifushi guests return time and again to experience this fantastic resort. The resort continues to evolve and to add to its all-inclusive plan, offering guests something new each time they visit.

Kanifushi is just one of Atmosphere Hotels & Resorts luxurious offerings. The brand is continuing to pioneer value for money vacations in the Maldives and is excited to introduce OBLU Select at Sangeli in the North Malé Atoll from July 2018. *
