The historic cities of the Danube

Amid a picture-perfect turquoise lagoon and surrounded by a pristine white sandy beach, lies the Atmosphere Kanifushi Maldives. The resort features 132 stand-alone villas and suites, each separated by lush tropical vegetation with direct access to the beautiful beach beyond. The resort has a number of incredible accommodation options. The Sunset Beach Villas are some of the largest entry-level beach villas in the Maldives and come complete with spacious interiors, open-air bathrooms, luxurious amenities and in-villa services. At the very end of the island, adjacent to its very own sandbank, are the exclusive Sunset Pool Villas, each with its own private 30 sqm pool facing the lagoon and inclusive services.

What's truly special about Atmosphere Kanifushi is its Premium All-Inclusive vacation plan, the Platinum Plus, which includes all-day dining and snacks and light meals at the pool bars. With Platinum Plus guests can enjoy a range of exotic beers, over 80 wines from around

# HASSLE-FREE TROPICAL HEAVEN

With the Premium All-Inclusive at Atmosphere Kanifushi Maldives you can kick back and enjoy your vacation without having to worry about a thing

the world, unlimited signature cocktails and a selection of tea and coffee.

The plan also includes a range of recreational activities, including: a flood-lit tennis court, a fully equipped gymnasium, complimentary selection of non-motorised watersports and unlimited snorkelling excursions during your stay. Other services include an in-villa minibar, which is replenished twice daily with beer, wine, soft drinks and other goodies.

Staying true to the Atmosphere Hotels & Resorts core value 'The Joy of Giving', Platinum Plus elevates the

regular all-inclusive concept in the Maldives by offering guests loads of choice in how to spend their holiday, without worrying about extra costs.

Kanifushi offers a great range of restaurants, each with its own atmosphere and culinary journey. The Spice hosts a variety of theme nights and offers guests expansive buffets, grills and alfresco cooking. The Liquid is the main pool bar and offers an array of cocktails and beverages along with mouth-watering snacks and light meals during the day. The Sunset is home to the adults-only pool bar and is centred around the stunning infinity pool. Come the evening, it converts into a Mediterranean-Asian fusion restaurant. Kanifushi's culinary experiences expand onto the resort's authentic Japanese restaurant Teppanyaki Grill, while the award-winning gourmet vegetarian restaurant Just Veg is open for lunch and dinner.

Other services include a PADI Certified Dive & Watersports centre, where a team of multilingual professionals are ready to take you exploring the magical waters of the Maldives. There's also the blissfully tranquil Garden Spa Complex – Akiri Spa by Mandara.

The resort is accessible via a short and scenic 30-minute sea plane transfer from Male International Airport. \*
